

NEWHAM COLLEGE TOURS 2019

When deciding what college to attend, it's essential that students get an opportunity to visit the campus. We would like to offer this chance to your students, so they get a first-hand view of Newham College.

Students will be accompanied by College staff, who will take them round the building to show them all the different learning areas and resources, as well as answering any questions they may have on studying at Newham College.

Although students will not be able to enter classrooms whilst teaching is going on, they will visit all the learning areas on campus and find out about all the extra-curricular activities

If your students want to spend time in the classrooms, meet the teachers and try their hand at some of the courses, why not contact us to book a taster session, which enable you to do all the above? Email andrea-mae.mclean@newham.ac.uk for more information.

To book a College Tour, please complete the form below and email to Andrea-Mae.mclean@newham.ac.uk
