

CALLING ALL BUDDING YEAR 11 MALE FOOTBALLERS!

DO YOU WANT TO TRAIN WITH WEST HAM?

Newham College is delighted to be working in partnership with West Ham Football Club to deliver the West Ham Foundation Football Academy Schools outreach programme.

The Foundation's objective is to create more opportunities to change lives within the local community. This partnership programme helps year 11 boys overcome barriers faced with social mobility.

Newham College can arrange for West Ham to speak to your year 11 boys about the programme and how they can sign up. We can also deliver a football session at your school for the students.

If you want to arrange for a session with a minimum of 10 male students, please provide advanced dates and times of your booking by emailing your school, your full name and direct contact details to Andrea-Mae McLean at

Andrea-Mae.Mclean@newham.ac.uk
